

EGSC Minutes – October 07, 2011

Voting Member Attendance (14/26):

Cathy Chen
Yinghuang Ji
Sonal Shetkar
Pranjal Gupta
Chaitanya Rastogi
Ryan Turner
Hesam Parsa

Kevin Dooley
Andres Uribe
Shihab Hamati
Vipul Singh
Haofeng Lin
Di Wang
Qi Zhou

1. EGSC Logo

Three members have finished their designs. Please send the electronic copies to Cathy and EGSC members will vote on them next week.

2. Constitution Amendment - VOTE!

Cathy has sent the Constitution Amendment with the changes highlighted to EGSC.

Unfortunately we only had 11 voting members at the beginning of this meeting, thus we were not able to vote. Delay until next meeting.

3. Printing Update

CUIT claimed that they didn't have the ability to change it into a rolling quota. The only two options are weekly and semesterly. However, if they make this change, it will apply to all the students on campus. We have to get supports from other student body, such as GSAC, undergraduate, etc. Since this change may not take place until next semester, we still have time to contact other student organizations to discuss on this.

4. Coffee Issue

All the vending machines on campus sell coffee at around \$1. The coffee inside CS lounge is cheaper because of their department do something with that. We can do nothing on how departments spend their money.

5. Pre-Calendering

1. Lerner Auditorium - Thursday, February 23

People suggested we use this date for February Graduation event or a Swing Dance event. Perhaps we can also try a interschool event – Mix and Mingle with TC, B-school, SIPA, etc.

2. Lerner Auditorium - Thursday, April 19

Cathy suggested reserving this date for the Earth Institution event. It was a event for all graduate students, EI paid for all the cost and we provide man power last year. It is mainly

about green and sustainability. Let's have Mike talk about how he started that on next meeting.

6. Movember Month

The BME student Jonathan came with his proposal for this event. We will send out the announcement for Movember Month on next Monday. There will be three moustache classed for this event: styled, untamed and fake. Top 3 of each category will win a prize. The timeline is as below:

Nov.1 – Registration for the event in Carleton Lounge

Nov. 10 – First update announcement during EGSC social

Dec.1 – Grand unveil and competition during EGSC social

7. Library Event – Knovel: Answers for Engineers

Tuesday, November 1st from 11am - noon in Davis Auditorium

Pizza and sodas will be provided and RAFFLE for an Apple TV2.

8. A Walk for Education

Where: Opportunity Charter School Lot (112th Street between Frederick Douglas and Adam Clayton Powell)

When: Saturday, October 29 @ 11AM-2PM

FREE food and drinks will be provided.

9. Alumni/Career Committee Updates

Microsoft Tech Talk - Wednesday, November 2 in Davis Auditorium

This event is made by CCE, not us. Sonal will send the official invitation letter to EGSC as a reference. All EGSC members should help collecting the contacts. Please reach the companies you are interested in. We do want to have diversity in the companied and fields.

10. Social Committee Updates

1. Poker Night -- 7:30pm to 10:30pm on Wednesday, Nov. 2 in 301 Philosophy
Snacks and refreshments will be served. The first place winner gets an iPod. Last time, we had 45 people attended and 5 people per table. The flyer will be sent out later.
2. Comedy Show -- 7:00pm - 10:00pm on Wednesday, November 9
EGSC Ticket Price: \$10 Students, \$15 Others. Included in the EGSC Student Ticket is 1 drink as well as all taxes and gratuity.
3. Trivia Night – combined with the next EGSC social (no need for DJ that night).

11. Interschool Committee Updates

1. Poker Night as above.
2. Event with TC in their Dining Hall (a fancy place like in Harry Potter). Date to be decided, perhaps Nov. 16? It can allow around 70 students from engineering school to participate. We pay \$380-\$400 and pizza and soda will be served.
3. Mixer with Uptown Student Council – Nov. 3. They pay \$500 and we pay \$250.
4. Skating Event – Dec. 5 and 6 in Central Park
This event is together with SIPA, GSAS, B-school, etc. We pay \$500 to get engineering students in. The tickets will be \$10 including skate rental and hot chocolate.
5. A networking event in B-school on Nov. 10, Chaitanya will get the flyers to us ASAP.
6. Skype Talk on Nov. 30, details will come later.
